“ I remember when the girls Jill And Sarah were young, we would go and do so many things together, from camping, to liberty land, one time on the way back it was dark Glenn was driving, and he told us he could stop the rain, If he turned on the interior lights of the car. Soon the interior lights came on and no rain, we were amazed! On I-40 from Memphis to Forest City we were thinking Glenn had some kind of powers. Turn out every overpass we went under he would make the rain stop. He was always joking and taken the time for the Girls and I, and making sure we had a great time together! He always made everyone around him feel special. I Love Ya Glenn, Jill, and Sarah.
