“ Mom I am so lucky that God Chose you as my 2nd mom. You taught me so much about myself and life. I was barely 18 years old when I came into your life. You were never just my mother in law you have always been my MOM.. Your wisdom and love for me has always amazed me. Even when you where in the hospital you told me how proud you were of me and Ski and Miles. That I would always be your little girl and that you loved me very much. That meant the world to me hearing those words from you. I will always love you and I already miss you so much. Yes, I wish things could of been differently also, but we all go thru seasons and mine has came and gone, also. This is not good bye for I will see you again and what a great day that will be in heaven when our circle will be unbroken again. Until then watch down on me and the boys and the rest of the family, for we will have to learn to carry on without you here. But, you definitely won't be forgotten you took a part of my heart when you left yesterday, 9-8-16. Until we see each other I will always love you Mom forever and a day.
Your loving daughter Debbie
