“ *I'm still having a hard time dealing with your passing Heather. I want to question God & ask Him if this was a mistake. Sometimes the pain is too much that my heart can not take. Deshia's always giving little tributes to you. Profile pictures & screen savers, she misses you dearly too! I don't question where you are for I know you're in a better place. Happy & full of Joy still with that beautiful smile upon your face.*

“ I met Heather in May of this year. I saw a wonderful bright girl that loves God and loves music. Even though we only got to know each other for a brief few months, I will always feel wonderful joy that God had placed her into my life however brief it was. She'll never truly leave us all, because of the memories that we all hold dear. My prayers to the family.

“ The family is in our constant prayers. My son Johnny was a very close friend with Heather and has many many memories of her! He will forever miss her and love her. Heather taught him the "cup song" he was in band with her and shared classes with her but more important they were true friends. May God be with each of you to lift you up and help you through. No words can describe the heartache we all feel. There's a comfort in knowing where Heather is right now and that she's in God's hands. We are so sorry for your loss. Continuing prayers for all!
