“ Another page of my childhood has been torn away! I will miss my Uncle Hank. He was "an original" and I know he is on the other side with Moma and Daddy, Grandma and all of our other family members. What a celebration they must be having right now! I am thankful that we have all of them to watch over us. Aunt Evelyn if there is ever anything I can do for you, please call me. I love all of you and I am keeping you in my prayers!

I was his "Firecracker Queen!" Sell, Sell, Sell is what he would tell me when he came to the fireworks stand. I always loved to hear that!
