“ Your Dad was always a great joy to us all. Steve Edwards sent the photo of him teasing me. Who knew THAT was his favorite thing to do! Love, Kathi

“ Henry always looked over me as if I belonged to him. He loaned me the money to buy dining room chairs when we were working in Leland. Yes, I paid him back and you all know he would not forget that. Do you know how many brush strokes he put on my Great Grandparents' house? Not Sprayed or rolled but BRUSHED by his own hand. We all had great times working and being with your Dad. Praying for your hearts to heal. Love, Kathi Spencer Martin
