“ I have known Irene since I was a tiny little girl, but the one who knew her best was my Father Winston Murl Dearing. Since he is gone now I wanted to let the family know that we are heart sick for them and to let them know how much we love them and are praying for them. I will never forget sitting in her living room and her telling me about the family, showing me pictures and telling me all about each person and how they were related. She spoke a lot about her sweet husband and it was evident that she loved him very much and missed him even more.

I would love to talk with either of Irene's children my email is lgdearing@gmail.com.

God bless you all with comfort and peace.

“ What great memories I have of this precious sweet lady. I'm reminded of Aunt Irene every summer when I peel fresh garden tomatoes that have been dropped in a pot of boiling water! RIP Irene and give old John a hug! Carol Barksdale
