“ Oh, Marleta and family, I am so sad to learn of Gerry's death. My memories of you and Gerry are all so poignant this morning as I read her obituary. In February, 1954, my family moved to Caldwell from Cherry Valley and I entered Forrest City High School not knowing a soul! I was overwhelmed by the size of the school compared to Cherry Valley! On the first day there at lunchtime I didn't know what to do or who to ask and a girl came and asked me to join her group so I did. Well, Marleta and Gerry came to me and said "you don't want to hang around with that group, come go with us!" That was the beginning of a beautiful friendship that lasted through high school until we graduated in 1956. I have remembered throughout all these years how fortunate I was to have friends like you and Gerry. We had such fun those years at First Baptist in Caldwell and I have never forgotten them. My heart goes out to you today as you say goodbye to your sweet sister and I will pray for God's comfort and peace for you. Love, Chloye
