“ My Aunt Jackie was such a caring individual as she was the daughter that cared for her mother and father through their sickness until they passed away. When my family would travel back to Arkansas for Christmas and vacations, she always had all of our cousins come over to have a big sleep over. I had such fond memories of those times as well as when she would take us to go roller skating or just go get cokes. She did love her diet cokes. After my mother, Dot Jones, passed away, she always made sure we stayed connected to Arkansas, our cousins, and especially her. You couldn't ask for a better Aunt. I will miss her greatly and all the fond memories that we had with her when I was a child and then as an adult. Take care Aunt Jackie and know that we all will miss you. Vicki, your niece.

“ Becky and the rest of Aunt Jackies family. I am so sorry. I loved Jackie, she was a special lady to me. She will be missed. She could be a clown when she wanted to, but so much fun. Rest in peace Aunt Jackie. We will all see you again. I can only imagine the things you, Dunie, and Shirley are doing now.
