“ *The family would not remember me. I gave swimming lessons to her granddaughter during the summers when I was home from college. Mrs. Beane was always so very kind and pleasant. I enjoyed talking with her. Sometimes after the lessons she and I would talk for as long as the lesson. She had such interesting stories and to share them with a 20 year old college student was an honor in my eyes. She was a fine lady and I am glad to have known her. My prayers for the family.*

Andrea - I am the granddaughter who took swim lessons, and I absolutely do remember them and you quite fondly! Thank you for cherishing my Grandmother - for listening to her stories and her advice. She was incredibly detail oriented, and we would often joke that she should have been a journalist or reporter in another life. I appreciate your message and tribute to her memory.

“ *I so loved Aunt Jackie and the great memories of Razorback tail gating, parties and games. I last saw Aunt Jackie in LR to celebrate Aunt Jackie Crafts 80th birthday. She always had such stunning style and was a true southern lady. I will miss her smile and the awesome way she always made me feel when I was around her. Love you Jackie!❤️❤️❤️*

“ *I am very sorry to hear about Jackie's passing. I have many wonderful memories of our families together when I was small ... both living in Beech Grove ... my earliest is when we met in the small duplex on Beech Grove Drive and made decorations for the country club for a party. I must have been 4 or 5. I also remember letting Eddie drive the car from Karen Fergusons home and Jackie was water the front yard and saw his red head... He was 10🙄. She called mother and I was in big trouble as I should have been. Prayers are for you all. She was a lovely lady*

“ *Mrs. Beane was always so kind to me. I was in John’s class, and she always greeted me with big smiles and was interested in how my family was. She loved the Lord and was such a wonderful example of how to live as a Christian lady. I always looked up to her. Prayers for her children and family as they say goodbye.*
