“ Mr. James and Mrs. Patty, Jennifer I am so sorry to have read about JT's passing. He was one of my former student at Forrest Hills school, twenty-five years ago. For Easter that year I gave him 4 baby chicks. His grandfather came from Blytheville to pick up the baby chicks. On his seventh birthday he has a party at McDonald's in the party room where he invited his second grade class. What a smart young man who made excellent grades. My thoughts and prayers are with your family.
