“ I can remember as a young boy about 9 years old having multiple sleep overs at Jay's house with his dad always being about as cool as the Fonz. I always looked forward to visiting for not knowing what animal Mr. Dundas might have for Jay next. One time it was a raccoon. The next was a puppy named Rocky. Needless to say, Mr. Dundas was someone I still remember over 30 years later.

*My deepest sympathy to Jay and his family.*

“ I truly loved Mr. Dundas! He and Ms Linda helped with the youth group when I was growing up. We always had such a good time and I can remember thinking as a teenager how "cool" they were! I will always remember the work camp we went on together and the fun we had. He had a wonderful personality and a loving, compassionate nature. He will be missed by many. My thoughts and prayers are with you all.

“ Funny how you remember events from your youth with clarity of yesterday. I can recall sitting on a sofa with my parents and Brothers and sister watching as my favorite aunt married a very nice man at I believe was a very private ceremony And being impressed by the love they shared.. I spent many nights with my favorite relatives .

“ We are so saddened for you in the loss of your Dad. Although we only knew him in his later years when he came to Madison, MS, he still had that endearing sparkle in his eyes for his children and life. You are in our prayers as you grieve for your Dad.
