“ *Alvie was a good man. He was like an uncle of mine. He was always smiling - and jokes - Oh mercy he could tell some jokes. He was a funny man! His children were always close to me, like family, we all grew up together in our small little town of Colt!
Uncle Wayne - if you ever read this - You know I love you and I am sorry to hear about your loss! He was a great person and I want you to know that I am always thinking of you! Please take care of yourself.*

James Norman - Remember your dad from years past, he was a great man and we can all tell that by the MAN you have become today.

"A heavy heart will sink you - but the purest shine of light in your heart, will let you fly like an ANGEL!"

“ *Uncle Alvie was like a 2nd Daddy to me, any time I needed him he would be there for me, I loved his stories of yesteryear and the sound advice he would give.
There will always be a void in my heart with him not here yet I thank God he was in my life.
My prayers will always be with his children whom he loved most of all in this life.*
