“ We just loved Uncle James! He came to our wedding and brought rabbit to cook for the family. He also told me that weekend that he thought our house was haunted, you are probably correct on that one! He was a straight shooter and little onery, but that is part of the reason we loved him so much. He was a good man and good to Linda and the kids and grandkids. You will be missed dearly Uncle James!! Sending love to the family during this difficult time.
