“ *Dear Paulsen Family:*

I would like to express my deepest sympathies for the tragic loss of Jim. I graduated with Jim from North Pulaski High School in 1987. Although I left Arkansas for good and never returned for the reunions, I remember Jim as a very warm, kind hearted person. He was always smiling and very funny. My prayers are with you during a very difficult time.

“ *Jim and I attended high school together and one of our classmates just e-mailed our class today letting us know. Jim was always well liked by everyone. He was funny, smart and a great person. We reconnected last year during our twenty year reunion and getting back in touch with him was one of the highlights, for me, of the reunion. He always had a funny e-mail or comment. We will all miss him and remember him fondly, with smile. The NPHS Class of '87 will keep his family in our thoughts and close in our hearts. God bless.*

“ Jim and I were classmates at Northwood and North Pulaski, and had dinner together this summer. I'll miss his sense of humor and endless supply of jokes for my email inbox. I must have at least twenty of them saved. Jim, you are missed, brother((GLEN))

I was so sorry to hear the passing of your son. You might not remember me but we are cousins. My mom and dad are Marge and Lee Mullen and they send their condolences as well. I have kept in touch with your sister over the years and she had told me of this sad news. Please know that you and your family are in my thoughts.

“ *Cecilia, Marty, and Peggy, I read in the Des Arc paper about the accident while home on leave from Afghanistan and prayed that it was not Jim. After coming home to Memphis tonight, I found the obituary online. I am terribly sorry for your loss and grieve with you. I will miss Jim terribly, as will every one who knew him. I remember with great joy the times we spent working on our vehicles in the garage at the old house in Cabot and our fishing trips.*
