“ Jason, I know you'll never get to read this, but I'm so glad that Mellissa and I got to meet you and have you in our lives. I can't tell you how much it meant to me that you wrote to me about the equality votes, and how kind and funny you always were to the both of us. You were truly a bright soul in this world, lighting up the lives of everyone you touched. I'm so honored to be able to carry you with me always, through your art. You will forever be a part of our lives, and you will be missed beyond what words could express.

*To his family, Jason was a great man that I was bless to have the opportunity to know. My thoughts go out to all of you during this difficult time. Namaste.*

“ It deeply saddens me that I can not be with you all at this time. My heart is breaking with you and for you. I have so many precious memories of summer vacations at Frankie and Donald's and I will cherish them always. I thank God that we had the opportunity to have the cousins reunion recently so that I could reconnect with everyone. Jason and I had many opportunities to talk through facebook recently, and I enjoyed catching up. I will miss him dearly and my thoughts and prayers are with you all at this time. Please don't hesitate to contact me if there is anything that I can do. I love you all very much.
