“ *I have very fond memories of you cooking burgers for me (for everyone) but u made me feel special like it was for just me. And talks about my Dad those were always funny. It won't be the same without you, I'm wearing a green shirt for you today (private joke), not the one you & Donna bought me (couldn't find it). My condolences to Donna, Debbye, & Tammye and the rest of family. We mourn your death but we will celebrate your life. I love you.*
