“ Dooley, sorry for the passing of Mr. Dooley, he was always so full of life, a very joyful man. He and my husband worked together at Airtherm for many years. His daughter Susan and I worked at the same school teaching second grade for two years, she was so fond of her father. Praying for comfort, strength at this sad time. “ *Mr. Jimmy,*

You will always hold a special place in my heart. From being one of the first people to ever let me drive (I was like 13!!) to hollering "PeggyPatty" (one word) while we swam in the pool every summer, you were like family to me. I will always treasure my time with you and your precious family. I'm praying for all of the family, but I'm grateful that this is not goodbye. Because of Jesus, I know that I'll see you again one day.
