“ I worked with Jimmy for over 25 years. He was my friend. I can't be there at the funeral because I am out of town but my thoughts and prayers are with you all. I would tell Jimmy that I was old enough to be his mother. But we would argue like Siblings. Jimmy like to argue and he loved to scare me and make me scream. And he would laugh. He was my friend and my family. I am so sorry for your loss. He will be missed
