“ Paw Paw you will be so dearly missed. I remember all the times you driving up here and getting here really early so you would sleep on the porch and I would be so excited to see you and there you are waiting. You are a wonderful grandfather and Maddie loved her Paw Paw. But now you are with Jesus and your parents and grandma now and I pray you are happy and not in pain anymore. I love you and miss you so much. Chrissy Madison and Brian
