“ Coached me in 1969 marvell baseball tournament, let me play basketball in his driveway, took me to horseshoe lake and treated me like a relative. Great influence in my youth. Praying for Parker family. May God bless and comfort them in knowing they will see him again on the *STREETS OF GOLD*.

“ Uncle John was always a clown and always cutting up with me! When I was a child 1965 ish 11 years old Unc scared the daylight out of me. It was dark and I was walking the lot between Mama Jeans house and Uncle Johns house to go ask aunt Dean a question. Unc saw me coming and was hid out beside the garage. He ran out hollering “boooooo” with his coat raised over his shoulders. He literally had me shivering in my boots, I screamed and cried. When he realized his joke was too much. No way did he really mean to scare me like that. He grabbed me, he hugged me, he told me how sorry he was. He did not intend to scare me like that. He carried me to my daddy before he let me go. . He has always been loving and consoling to me. He has always clowned. He was my favorite uncle for the longest! Love you Uncle John! Please give my daddy a hug! ❤️.

“ I love Uncle John. I remember making pies for him when I was in high school and learning how to cook. I'd show up with a pie at the front door and he'd be so happy. I remember him officiating at some basketball games. Once he whispered to me , you better settle down or I'll have to call a foul on you. Ha! He was trying to save me from myself. ❤️❤️ John 14:1-3 I'll see him again!
