“ I remember our family going to her house and she and my dad playing guitars and singing. Those were special times. My love and prayers are with you all.

“ I have so many memories of your Mom and Dad.. But the one I always think about when I drive by Summersweet Orchard is when I thought I was in labor with Keith, Jim ran across the field and your Mom and Dad took us to the Hospital and stayed with us.. I was not in labor that time or the next two times they took us but each time they were there for us and stayed with us..Even the time I actually went in labor they did not take me but they ran to the hospital to be with us and our parents which were all friends of theirs.. Such wonderful people they were, and their lives touched 100's of people in St. Francis and Cross County..

So sorry for your loss but I believe the best day we will ever have is the day we see Jesus.. Your Mom has had that day.. Cannot wait to see them again..

Love you all.
