“ I have known Johnny almost my entire life. From when I was a kid, our farm help worked for Johnny and used his tractor or work up some of our ground, To him pulling my Dad out of a ditch one morning. As I got older I worked for Carrol Brother’s Farm and we farmed their land. I farmed during the summer and worked for Johnny in the irrigation business during the winter. Always looked up to him and he taught me a lot, working for him and around him. Got to know his two sons Andy and Chip. We have kept up through the years and I had just spoken with him this summer. Prayers to all the family!!

“ I remember Johnny visiting my parents in my younger days and he was a great guy.
Years later, every time I saw him, he would always ask how they were doing. Always seemed to be a caring individual.
Condolences to his family.
