“ I have so many sweet and good memories with the Mitchusson family. When I think of Johnny; I see him coming in the room smiling from ear to ear, as he begin to tell of his experience or event of the day. Johnny was a happy friendly child and young man, who succeeded well in all he did. You leave behind in my eyes heart a smiling face. Love and heartfelt James, Carolyn, Gary, and Tracey.

“ One time I did a late night trip to the local Walmart with Johnny when we were roommates in TN just to get a few things for the house. When we were there Johnny remembered he needed some 22 ammo & went to get some in the sporting goods section. Since it was late the ammo was locked up. Johnny found a young guy that was stocking shelves & asked him if he could grab him a box of 22 ammo? The guy said, "sorry sir we don't sell ammo after 11:00pm." Johnny paused, scratched his chin & said, "hmm, ok where are the baseball bats!!" The guy pointed where with a look of shock on his face! we both kept a straight face til we were around the corner & then busted out laughing!!! Johnny was a quick witted comedian who loved to pull tricks on people like that!!
