“ Johnny and Susan, we will continue to pray for your family in this time of grief and loss, we believe that one day not long from now, we will walk the streets of gold and Josh will run and jump and lead the crowd.

“ Junior high would have been a lot harder if it hadn't been for Josh and his friendship. Forever in our hearts.

“ Susan, the one long memory I have of you and Josh is what a great mom you are. You took such great care physically but also mentally. When I would see y'all together you were always smiling, looking like Miss Dortha, and that boy knew your love because it was so thick. I remember Josh's carefree attitude and contentment, but Susan, my friend, that was your sweet nurturing that made him content. I love you, I am praying for you and your family. You have always been a great friend and we love you.

“ *My sweet Josh! There's definitely not a person around that could compare to you! You were always smiling, happy, and concerned about everyone! You by far exceeded the definition of strength and courage. My heart aches because I miss you! However, I'm grateful to know you are in heaven running, fishing and I'm sure talking to everyone! You surely touched this world with you're sweet soul and kindness for everyone. You and your precious momma sure taught me so much! You have forever touched my heart!*
