“ *I was just thinking of her the other day. I was her successor at the Jacksonville Fire Department. Our training period together was only about two weeks, but she attended most events (retirements and Christmas parties) for the next nine years that I worked there. We always had great chats, and enjoyed each other's company. She often came down just for visits as well, and we would always have lunch together before she headed back to Pangburn. My heart goes out to her family. You all have my deepest condolences. May God bless, strengthen and comfort each of you.*

“ I just spoke with you Ms. Judy in December. I was always so happy to hear from her and chat with her. She wanted to make sure we had her current phone number and to tell us all Merry Christmas. JFD never left her heart even though most of all she worked with had retired. We became friends in 2008 when I worked at City Hall in Jacksonville and she'd come visit JFD and her friends at City Hall. Thanks for your friendship and knowledge Ms. Judy. Sending your family & loved ones all of our love and prayers from JFD  
Sincerely,  
Lynette Culpepper

“Mrs. Judy” was our Fire Department mom, confidante, and counselor for so many years. We all loved her and she loved us back like we were her kids. She was a wonderfully skilled administrative secretary but her true skill was keeping us all pointed in the right direction. She supported me as a Firefighter and as a Chaplain. I will miss her.
