“ I want you all to know that the members of the Kelso family mean as much to me as most of my own family. I have been a part of you for most of my life and Judy was one of the older sisters I never had. My heart hurts for you and I am praying that God will bless and keep all of you and comfort you in your time of sorrow.

“ *Borden family, sorry for the passing of Mrs. Borden. She loved her family and the community that she lived in. All the bake sales for the fire department, she was always helping to improve the community which she lived. She will be missed. Many years ago she help with the Caldwell school PTA. Helped raise money for the children at the school for supplies, the students received everything they needed for school. Thank you Justin, Toni and the rest of your family.*
