“ Mr. C was like a dad to me. The best boss ever. He loved Mamie Jo so much and was heartbroken when she passed away. I have often thought about him and how he was doing since moving near Eddie. He and Mamie Jo were so proud of their children. We were surprised when he told us (Forrest View Medical Center- Sherri and Needra) that Eddie was going to be a heart surgeon. Eddie and Nanette- He was so special to me, I'm sorry I didn't keep in touch more. Love, Sherri Houston

“ Mr. Chauvin hired me for my first full time job right out of high school at Forrest View Medical Center and I thankfully worked with him until they closed in 1993. He was an excellent boss/mentor/friend. He will always have a special place in my heart. Nannette, Eddie and family - prayers are with you - I'm so sorry I'm unable to attend his service tomorrow to show my respects but please know I will be thinking of you all.
