“ I am so sorry that I just now learned of Kayla's passing and cannot make it to today's service. My wife Beth and I are praying for Kayla's family, in hopes that the fond memories of their time with her outweigh the pain they are feeling today. We have a tradition of lighting the A-State clock tower scarlet in honour of members of our Red Wolves family who pass away. Please let us know a good evening for us to do that in case you want to come see it (as many families do). I am so sorry for your loss, Kendall.
