“ *Sincere condolences to the family. I am so very sorry for your loss. May God provide the necessary peace and comfort to your family and friends during this difficult time. Please remember these words of encouragement from the Bible: “Jesus plainly told her: I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life.” —John 11:20-25.* ”

“ I had the honor of being in the percussion section with Kayla for a few years. She was always so sweet and so extremely talented. She could learn whatever you put in front of her and never complained if it was hard. She was definitely a light to the world and will be missed.

“ I remember the kindergarten club of moms as we shared our hopes and worries over our little ones. Our girls grew up together, played in band together, and graduated. Absolutely nothing could have predicted this day and my heart is breaking. Words are so insufficient to express how sorry I am. We are keeping you both in prayer.

“ I had the honor of meeting Kayla in our Honors courses here at EACC. She was a light in the lives of all of us who met her. She was creative, talented, and always had a big smile plastered on her face. She was the kindest soul and my heart is broken for the family. Prayers for strength for you all in the coming days!

“ Morgan & Krystal,

While Kayla attended classes at EACC, I often saw her sitting with friends, laughing and having the best time. She obviously worked hard on her studies as well, because she was also on the President's list (She must have gotten that from her mother). My heart hurts knowing the only thing I can do is pray for you as you trust God through the hard times of life. Just know that you are loved and supported.
