“ I am so shocked and saddened to hear of Kenny’s passing. He and I went to school together at HHS and even though it’s been years since we saw each other, he remains a big part of my high school memories. He was always cracking jokes and making us laugh, while also being kind to everyone. May his family be comforted and he remain in their hearts forever. Hugs to Brenda, Judy and all the cousins!

“ *My most remembered and fondest memory of Kenny would have to be some 30 years ago while hunting at White River Refuge and him becoming lost one evening while hunting. Man what times we had back then. Condolences to all affected by such a sudden loss of a great person.*
