“ There were two bright lights of the FCHS office, and without doubt Mrs. Lewis was one of them! Her smile every morning made all of the staff and the students of FCHS start out the day with a wonderful feeling and encouraged about the day ahead. She was always so encouraging and truly a wonderful and caring person for everyone who came into contact with her. She worked very hard to make FCHS the best it could be and represented it and the district with every fiber of her being. She worked many a football and basketball games at the gate, not for the money (because truthfully the money is literally chump change), but to serve the district and to be there for the kids! She would have done it for free! Such an awesome person, and we shall all miss her tremendously. Truly a blessing as a friend and outstanding Christian lady! God bless her and may she rest in peace! She truly was one of my favorite people I have ever known in Forrest City.
Prayers to the family and may you find peace that she is in the arms of our Lord.

Sincerely,
David and Tammy Freligh

So sorry to hear about Mrs. Lewis. I was her office worker in high school. She was a truly nice and caring person. I talked to her often in walmart over the years. She will be missed by many people.
