“ We are so sorry for your loss. While Linda was married to Franklin, we were able to get to know her. She was always very nice to us and we enjoyed several family reunions at their home.
May peace be you all,

“ Aunt Linda you will be missed. No one can make your banana pudding. They just don't have your smile behind it. My girls know you as Aunt Pickle because of your awesome sweet pickles. Brandi and Gerald, your mom touched so many people because of her kindness and contagious smile. Our pain is no comparison to the physical pain she had. Now she is pain free and reunited with your dad and other family. Carry on her smile and spirit. I love you and am praying for you.
