“ It may have been as much as 25 years ago that I was taking a safe driving course and Mrs Lois was there, we were both in the ladies room and she was looking at me like she might know me so I told my sister in law I felt like I was in a classroom at that little school in Gill and I knew she would say something. Mrs Lois said now I used live at Gill so who is your family. I told her I was one of Frank and Neva Halls daughters. She recalled them and we chatted. She was still sharp as a tack although she had a cane got around pretty good and was apparently still driving. She was a devote Christian lady.

“ *Ms. Lois was a life-long mentor to me and all those around us at Gill, Holubs, and .oro areas. She was gifted with book knowledge and "living example". I was proud to be her friend. She will continue to live in my memories*

“ *The love and friendship she showed my father, Cecil Rolland, and me as I stayed helping my father is still memorable and thankful for. Her visits meant a lot to us. She brought joy and a smile.*
