“ Loretta and I were best friends for 50 years. We met at EACC, were in the women's choral group there, and were roommates at BMH School of Nursing in Memphis. We had many, many memorable times together, traveling spontaneously to Florida one Summer, helping cats fly in Memphis, and her many jaunts up here to Kansas City where I currently live now. We talked almost every day forever. Always people loved her kind, joy-full spirit wherever we were. Always, her laughter and voice were distinct in the room. Always people knew her open heart and friendliness. Always, she uplifted my heart, and we would share thoughts and feelings with each other that no one else in the world would know. I already miss my dearest friend so very much. I am so very sorry I cannot be there in person, however, and forever we are One Heart. RB loves her BB with every fiber of my being. Rest in peace and love, my dearest friend, Love, Dr. Kathy ("Kat") Bowie
