“ Lou was my first KRF friend. We met at the hotel then spent the who Cruise together. From that first night at the hotel to now Lou supported me, loved me and excepted me as one of her own. I am going to miss this amazing woman. She was definitely a woman who loved her family and friends. We say all the time after we lose someone, If I could have just one more conversation. I was she I have one more conversation just to let her know how much she is loved and how great of a woman she was. I love you Lou and you will forever and always be in my heart.
