“ Rest in peace Lockhart. I'm gonna miss you so much cuz. Gonna miss all the fun times we had together, going mudding, and riding the four wheeler. Can't believe you're actually gone. I'm getting real sick of people dying, moving away, or fading away. It's gonna be pretty rough with out you, but I know your looking after me like you always have. Miller & Sweet farms. Hahaha that was always our plan. Cutting down trees, planting cotton, and you buying me a truck when I turn 15 and me getting a hardship so I could drive a year early to go to the farm. Thank you for all the time we spent together and thank you for all the good memories. Gonna miss you bud.

“ Born in 1991. Lockhart, the only thing I hold on to is that I will see you again. I love you more than anything, and I always will. When I took those vows, 'til death do us part, no, I will see you again. I have to. I love you so very much. There just aren't words. I miss you. I miss you so much. I will never stop.

I remember the first time I saw you at Pizza Inn in Forrest City. I thought you were beautiful, and I still do. I didn't know then how my life was going to change, but I wouldn't trade the years we had together for anything. I only wish we could have had so many more. I never knew it possible to love so much, but we had that. I know we both wanted a baby, and all the things that life held for us, but instead I'll hold these memories we made together so close until I can see you again. I love you. I love you so much.
