“ I just found out about "Miss Marcia" and wanted you to know what fond memories I have of her. I recall such things as going to her house to get my first kitten, the time that she spent with my grandmother, Maxine Waldrip, particularly when she was sick, and, more than anything else, her smile and her unique laugh. Miss Marcia's smile could indeed light up a room.
I know that there are no words to comfort you right now, but I wanted you to know that I love your family and am praying for God's peace for you.
