“ I am so sorry to hear of your loss. I worked the radio with Margie when I was in high school in the late 60's. She was a joy to work with. My thoughts and prayers are with you.

“ *How blessed I was to work on the AGFC radio with Margie! She definitely kept up with "her guys" on the radio - getting help for them, kidding with them, or fussing at them, as needed. (That was, of course, in the days before radio operators became so 'professional.')* The field units always knew that Margie was their friend and would be looking out for them. They also loved the cookies, pies, and cakes that she kept in the Radio Room for them in case they came by there.

*Margie has been missed since her retirement. I'll always remember her friendship and loyalty to her co-workers at Game and Fish....and her laughter.*

*My deepest sympathy to all of you.*

“ *To all of Margie's sisters and family,*

*It has been very hard to know Margie is gone. She has been my dearest friend for a lot of years and also co-worker with the Arkansas Game & Fish Commission for 15 years. I will never forget her and may God bless you all.*
