“ Family and friends, we look forward to celebrating Martha's life today with you all. If you are using GPS type in Salem United Methodist Church Goodwin Ar. which will lead you to Highway 259 Palestine, AR 72372. We will be placing windmill spinners to assist in directions as it is pretty far out in the country, but worth the drive a truly beautiful serene location.

“ I remember as a young boy, our family of four children and two adults would visit Aunt Mott and Uncle Hub and the their six children(do not believe Lori had been born).
We drove from our little farm house at Palestine to their big two story house, close to Ray Winder Baseball field.
It was such great times for us, we roamed the neighborhood and saw things that our farm kids never saw.
Come dinner time, Aunt Mott always fixed a feast for us. Come bed time, Aunt Mott would make pallets on the upstairs floor for all us kids. They would leave the big windows open and we could hear all the night time city sounds.
Aunt Mott was one of the most beautiful ladies that I ever seen. She was always smiling, singing and just so happy. I think as a little kid, I was probably in love with her.
She will be missed by so many but our lives are so much better for having known and been loved by her.

“ Mott Shipley was a great Lady. She took me under her wing over fifty years ago. We shared many talks and good times. She loved with all her heart. No matter how she was feeling, she always had a sweet smile. Go walk with Jesus sweet lady. You will be missed. 🌹

“ Hi I am Martha’s son Daniel. I would like to share a few of my
fondest memories of my mom and I from my youth. All of the times
my mom took me fishing , with Mrs Brown. Her numerous hours that
she dedicated her time to take me to take me to different functions,
such as little league practices and games. She always told me to
stay in school and to get a good education. Mom also provided me
great cooking skills, even though she was 10 times a better cook
than I will ever be! I remember when mom was not home and my
sisters would lock me out of the house while they were baking
cookies, so I could see them eating the cookies through the window,
while they were laughing at me! Mom always made everything fun,
teaching me and my dad how to bowl. My mother was the most
intelligent person in my life. She was honest, truthful and very
generous to no end. The most important day in my life, thanks to my
mom was 11/11/1955. She was the heart and soul of our family,
without her all of us would be lost. I love you and will always have
you in my heart, your loving son Daniel ❤️
