“ *Such a beautiful soul that I had the upmost pleasure of caring for at Stonebridge. She always made me laugh, and when it was my first time with her, I told her that as long as she told me what she wanted me to do for her I would, and she walked me through, very patiently, how she liked things done. My heart broke the night she went to be with her husband. She was one of my favorite people. My condolences to the family.*

“ *She was a beautiful lady with a caring, loving spirit. I have many special memories of her, but have to mention her delicious lemon cake she introduced me to ... I've been making it for many years now and always think of her when I do. Thank you, Gail, for letting me know of her passing, and may you, Phil and Larry, and all of her family, find comfort in your wonderful memories.*
