“ My Mother-in-law of 33 years. I was honored to assist on 2 occasions that I will always remember. Although, I was concerned about being the one for the task I tried my best. I will never forget the day I received the call at work that she had cancer and I had to give the news to my husband. It was very emotional for me, I could not believe this was happening. Over the next several weeks she and I would have the task of draining her drain tube 2 xs a day. Then she dislocated her shoulder and I would go and help by following her step by step instructions on fixing her beautiful hair. I wanted it to be just right. I never felt adequate enough but I honestly tried my best. When Rodney was born she became Mamaw Roe. So Mamaw Roe, We love you and we will see you soon. Give Papas our love tell him we will see him soon. Nancy
