“ Van feel our love. The girls and I have been so wonderfully blessed by having Missy and you in our lives for so many years. All week we have remembered our crazy, fun road trips, Missy and KK and their crazy antics as Junior High girls growing into young women together, volleyball, and so much more. We know without doubt Missy is dancing with Jesus and he is loving the sound of her laughter. Let's try to get together the next time I'm in Little Rock or feel free to "run away" anytime to visit me. Miss you and know we will continue to honor Missy's life by keeping her in our hearts and thoughts.

“ *Missy.. oh Missy. I don't even know where to start. It's hard for me to accept that you are gone. I know we haven't seen each other in a while but I'll never forget all the fun times we had together. You never failed to make me laugh and always put a smile on others faces too. I bet you and Skipper are up there in heaven having a blast but keep an eye on us down here too, especially your mom! We all miss and love you so much!* ”
