“ Will have Mike and Family in Thoughts and Prayers. Attended Junior and Senior High School with Mike. Always a smile and offered assistance to anyone who needed it. Great sense of humor, good classmate and a better person. As I type this I can still see Mike and Russell Pettus both with Smiles on their faces. May The Good Lord Hold Mike's Family and Friends As Close As He is Holding Mike. Godspeed Ole Friend. john

“ I went to Greenville High School with Mike and have a lot of fond memories of this great guy. He was always a fun-loving, larger-than-life person who had the coolest wheels, from his Honda 305 to a Super Stock Dodge. One specific memory I have of Mike is riding in the back seat of his Super Stock Dodge while he was driving - and looking back and carrying on a conversation while the rest of us were yelling "watch the road!". Whenever you were with Mike, you knew you were going to have a good time. I think the only people that weren't his friends were people that didn't meet him yet. He had such an engaging, outgoing personality, and will be greatly missed.
