“ Mrs. Harp will always be special to us. We meet her in 84 when we moved into the neighborhood. My son Chris really took a liking to Ms.Harp as the years went on he grew closer to her and the family . He would tell me he had to go check on her then he would come back and tell me she was.lonely and he needed to stay the night or if it was storming he would need to go stay with her so she would not be scared. She was one special lady she will be missed. God bless you all my God comfort you all during this time. Melissa Thigpen and family
