“ I remember Sis. Nellie singing in church. I also remember when i graduated from high school. She was the only one that asked me what I needed. When I told her she didnt bat an i. She jus nodded her head and sure enough the next Sunday service she handed me a camera. Nobody else was as thoughtful. I love her. She will be missed.

“ Nellie, when I moved to Searcy it was culture shock. Right on my heels you came, big change in your life as well, but you "burst right in" delighting us all and lifting us up every day at CAGH. Though I soon slunk back to OK I never forgot your friendship.

*Seems too soon but keep them laughing and save me a place.
Love, Jan Welch.*

“ I'm so sorry to hear of Nellie's passing. I have cut Nellie's hair for many years and have enjoyed our visits. I actually had her down for a haircut this coming Monday. She was always a delight and shared a lot of laughs and serious spiritual conversations. I will miss her very much but also excited about her new home. God bless you all.
