“ *It was so nice to meet you and David so long ago. You were both so good to me. You were both a treasure. Thank you for the kindness you shared with all of us.*

“ *Dear Family of Sue,
Sue and David were in Explorers's Bible Study with me for many years. I loved and cherished their friendship so much. In fact Sue and I texted and touched base with each other November 29 and she told me of her plans for the future. Her passing was such a shock.*

Sue was one of the kindest, gentlest people I have ever known. She made a very big impact on my life and I will miss her and our phone calls so much. She and my husband Joe were classmates at Barton and she was so kind and thoughtful to touch base with me while he was sick and after he passed away. Sue was a true woman of God. I know she will be missed so much in your family. She talked to me about so many of you and we prayed for you when different ones of you were sick.

Please know that Sue was loved and cherished by all of us who were privileged to know her. What comfort to know she is in the arms of Jesus.

“ *I will always be thankful that God allowed the Friendsgiving group the blessing of being able to see and visit with her one last time. We called her Mama White.*
