“ Dear Joe and Susan,
I am so sorry to hear of your loss. I cried when I read the obituary but then I knew Ms. Norma would not want that. I feel lucky to have know such a great and honorable lady. She left her mark on the world and I am glad that I was fortunate enough to have known her her for those few years. I will still miss those special back rubs and those words of wisdom that only Norma could dish out!!
My Love to you both, Annette
