“ Mrs. Patsy left this world 3 weeks to the day that Randall did. I remember her for as long as I can remember from going to school with Randall, her and Mr. Bill living up the hill from us and from Kemp's Pharmacy. She was a beautiful lady and always nice and friendly. I know she's not been there for some time but I remember Randall talking to her on the phone and it broke his heart when she thought he was her dad but he lit up when she'd say "My baby". I know several people who have had and have Alzheimer's and that's one of the questions I want to ask God about when I see him. My heart goes out to the family and friends. Y'all are in my thoughts and prayers...Rest in peace Mrs. Patsy...

“ *Patsy was a regular member to Musical Coterie of Forrest City. She was willing to be a greeter and used her skill to decorate for our programs. She was a fun lady with a dry sense of humor. We at Musical Coterie miss her. May God give her family comfort and peace. God Bless
