“ I grew up around Mrs. Peggy. She lived next door to my grandfather, Charles Green. I always would go up the hill to see Mrs. Peggy and Mr. Harley. I loved them both like they were my own grandparents. I wish I would have known about her death, I would have made a trip there to pay my respects. I send all my thoughts and prayers to the family. If any of the family see this, Please email me at carebear72365@yahoo.com. I am so sorry for your loss.

“ *The family of Peggy Lewis, your are in my prayers. I was born and raised in Wynne, AR. and I can remember Peggy working at the clinic their on the corner and so many times, I would see her when she got off from work and she would speak and sometimes we would talked. We caught up with each other again when I moved to Forrest City and we played Bingo at Wal-Mart and we were friends, but I know she moved to Memphis and had to be taken care of by you. God Bless You.
She was a beautiful person inside and out and I will miss her.*

Sincerely

Carolyn Lane Sanders
