“ I have so very many memories of my Uncle Bud . I was grown before I realized Raiford was Uncle Bud. He was a good good man . I spent more time with him and han any of my other eight uncles . And I loved him and I will remember him always but all of them are together now . I will see them all again .

I remember Whitt being in church when I was in high school and that was long ago. He was a handsome man.
